

Mammee Bay Villas Responsible Tourism Statement

Mammee Bay Villas advocates responsible tourism. Resource protection, conserving the natural environment and support of local communities will help our area remains a special place. We believe Responsible tourism enriches the travel and holiday experience.

Mammee Bay Villas as a business, will foster understanding, appreciation and conservation of the area in which we work, operating in a socially and environmentally responsible manner.

Mammee Bay Villas will achieve the above by undertaking the following:

- Raising customer awareness by promoting responsible tourism practices and principles in our communications with them.
- Meeting and exceeding Responsible tourism best practice requirements.
- Raising our own awareness of sustainability principles, issues and practices through regular and ongoing training to staff
- Active support of Responsible Tourism bodies.
- Ensuring local communities benefit from our profits in order to preserve and protect the area.
- Partnering with local service providers, suppliers and communities
- Establishing preferred partnerships with individuals and organisations able to pass on to our customers an insight and understanding of the local area
- Ensuring preferred partnerships with individuals and organisations that share our commitment to responsible tourism.
- Implementing reduce, reuse and recycle practices.
